August 30, 2026

Dear Parishioners,

It was a joy to be able to celebrate the blessing of some new liturgical items at the 10:30 am Mass last Sunday. The family of Roger Barlage donated some new copes and stoles to St. Nicholas Parish in his honor. These vestments are especially used for benediction and processions. What a beautiful way to honor Roger's memory, and I am grateful to the Barlage Family for their generosity. It is my hope that these sacred vestments will be used at St. Nicholas Parish for many years to come.

I am looking forward to the St. Nicholas and Holy Family Parishes Family Fun Day today. I hope that many are able to make it. Kira Niese, our Youth and Family Minister, has been working hard to organize this fun event. I appreciate, as well, all of the volunteers who are helping to make this annual event happen. I am looking forward to seeing who will win the cornhole tournament!

This Tuesday (September 1) is the celebration of World Day of Prayer for the Care of Creation. It was instituted by Pope Francis in 2015 following the publication of his encyclical, *Laudato Si'*. This encyclical touches upon the importance of care for the world that God has given us. Tuesday's day of prayer begins a "Season of Creation" from September 1 - October 4 (the feast day of St. Francis of Assisi). During this time, we are invited to reaffirm our call to be good stewards of creation, to thank God for the beauty of creation, to ask God that creation be protected, and to ask pardon for sins against the world in which we live. There is a new Mass formulary in English which the Vatican approved this month known as the "Mass for the Care of Creation." We will use this Mass for the first time on Tuesday, September 1.

Care for creation falls under Catholic Social Teaching which also includes things like respecting the dignity of workers, care for the poor, upholding the dignity of every human person, solidarity with others, and the common good. The foundation for Catholic Social Teaching was especially laid by Pope Leo XIV's predecessor and namesake, Pope Leo XIII in his famous encyclical *Rerum Novarum* in 1891. This year, from January 10, 2026 until January 10, 2027, we are celebrating the Jubilee Year of St. Francis of Assisi who was known for his special love for the created world which God made. It is fitting that Pope Francis, who took his papal name after St. Francis, would also emphasize care for God's creation during his papacy.

Also this Wednesday will be our first Youth Night for Grades 6 - 8. Grades 1-5 began this past week while our High School Youth Nights begin on September 16. We also have our men's and women's groups (TMIY and SHE) which begin the weekend of September 12-13. I hope that this new year of religious formation is one filled with many blessings for our students, catechists, adult mentors, men's and women's group participants, and core team members. May all of us be good stewards, not only of creation, but also of the time that God has given us on this earth, that we may use this precious gift of time to grow closer to Him.

In Christ,
Fr. Scott

Mother Teresa: No Greater Love

Mother Teresa: No Greater Love is a soaring tribute to a spiritual icon, a powerful witness of authentic Christian charity, and a guidepost for all who seek hope in our turbulent times: Mother Teresa of Calcutta. This film reveals not just who Mother Teresa was, but how her singular vision to serve Christ in the poor continues to be realized through the Missionaries of Charity today.
